Museum of Northwest Art

Thank you for your interest in a museum tour at the Museum of Northwest Art. Please take a moment to review the following guidelines.

Before you Arrive:

1. After reading these guidelines, please [request a tour](#) with at least two months notice and await confirmation.
2. If there are students in your group with specific needs, please let us know so that we can make appropriate accommodations. You can learn more about our amenities and accessibility on the [Visit MoNA webpage](#).
3. Please review the following museum expectations with your class prior to arriving at the museum:
 - a. Walk and move carefully
 - b. Use quiet, inside voices
 - c. Do NOT touch the artwork unless otherwise directed by museum staff or volunteers
 - d. Stand an arm's length from artwork and the walls
 - e. Stay with their group
4. Please bring at least 1 chaperone for every 8 students. Pre-K and Kindergarten classes should bring at least 1 chaperone for every 5 students, depending on the needs of students. Distribute chaperone guidelines to the relevant parties. Groups larger than 15 students must be divided into groups: 2 groups for classes with 16-27 students and 4 groups for classes with 28 students or more. Each group should have at least one adult chaperone that will stay with them throughout their visit.
5. You can review the current exhibitions' [Gallery Guide\(s\)](#) on our website to prepare your group.
6. Please remember nametags for your students if you are coming for a guided tour.

When you Arrive:

1. When entering La Conner on Morris Street, continue to Second Street, turn left and continue for a half a block. Stop the bus behind the museum near the corner of Washington and Second and disembark. Lead the students to the front entrance of the museum on First Street via Washington Street. Buses may park in the bus parking near the Swinomish Yacht Club on State Street between 1st and 3rd (head back toward Morris on Second Street for 2.5 blocks).
2. You will be greeted at the front entrance by a museum staff member who will briefly review museum behaviors before leading your group upstairs to begin your tour. Students will be instructed to leave coats, backpacks and other personal items in a designated bin. Photography for personal use is permitted in the art studio and in the galleries.
3. MoNA requires that minors participating in MoNA Link, Early Enrichment, and other events or programs are to be accompanied at all times by an adult or a school-designated representative when at the museum.
